DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This communication letter is to clarify the status of claim 25, in which its dependency should be depended to claim 21 instead of the cancelled claim 22. The replacement of claim 25 was inadvertently left out in the Examiner's Amendment that mailed out on July 09, 2009. Therefore claim 25 should be replaced as follows:

Claim 25 (Currently amended) The system according to claim 21, wherein said at least one processor is operable to determine said first geographic location of said legacy media peripheral and said user utilizing said legacy media peripheral.
